

## MONOPOLY CLASSIC

Age 8 plus -- 2-6 players

The thrill of bankrupting an opponent, but it pays to play nice, because fortunes could change with the roll of the dice. Experience the ups and downs by collecting property colours sets to build houses, and maybe even upgrading to a hotel! The more properties each player owns, the more rent can be charged. Chance cards could be worth money, or one might just say Go To Jail!

The Hasbro Gaming and Monopoly names and logos, the distinctive design of the gameboard, the four corner squares, the Mr. Monopoly name and character, as well as each of the distinctive elements of the board and playing pieces are trademarks of Hasbro.

It's the fast-dealing property trading game where players buy, sell, dream and scheme their way to riches. This version of the Monopoly game welcomes the Rubber Ducky, Tyrannosaurus Rex, and Penguin into its family of tokens. Choose your token, place it on GO! and roll the dice to own it all! There can be only one winner in the Monopoly game. Will it be you?
